# A little about Agape

- Most of the kids at Agape have parents, but the parents do not have the resources to care for the kids. The directors have contact with a lot of the parents, but they do not visit much, that is hard on the kids.
- Agape is run by a Pastor and his wife. All the kids are well behaved. You can sense God's presence at Agape. There is spirit of love, peace and joy.
- They have the least physical space of all the orphanages, no courtyard at all, but the kids are the happy and healthy.
- (Siblings are pictured together)
